Re: *In re Tether and Bitfinex Crypto Asset Litigation*, No. 1:19-cv-09236-KPF – Letter Seeking to Publicly File Defendant Phil Potter’s Answer to Plaintiffs’ Second Amended Complaint

Dear Judge Failla:

I write on behalf of Defendant Philip G. Potter (“Mr. Potter”) in the above-referenced action. On September 13, 2024, Mr. Potter filed a letter motion requesting permission to file his Answer to Plaintiffs’ Second Amended Complaint (“Answer”) under seal out of an abundance of caution given the possibility that the Answer could be deemed to include Confidential or Attorneys’ Eyes Only information. *See* ECF No. 565. Mr. Potter further requested permission to later file an unsealed, redacted version of his Answer. *Id.* On September 16, 2024, the court granted Mr. Potter’s letter motion. *See* ECF No. 568.

Upon further consideration and review of the Answer of the Bitfinex-Tether Defendants to the Second Amended Complaint, *see* ECF No. 566, we have concluded that no redactions are required and Mr. Potter’s Answer may be filed publicly in its entirety. Accordingly, we intend to re-file an unredacted version of Mr. Potter’s Answer on the public docket by no later than October 2, 2024.

With apologies for any inconvenience to the Court, we are available should Your Honor have any questions.

Respectfully submitted,
/s/ Charles D. Cording
